Cremains were placed on top of a full casket. You would like for the City of Bisbee to open the grave to place another full casket. The City of Bisbee will not be liable if cremains are damaged while digging for the new full casket.

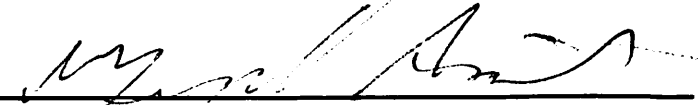

I agree that the City of Bisbee will not be liable, if cremains are damaged while digging and/or I will personally remove cremains and replace them after full casket is interred.

I agree that the City of Bisbee is not liable if damage occurs.
