EVERGREEN CEMETERY PERMANENT STRUCTURE PERMIT APPLICATION
(ver 03-01-2018)

It is now necessary to obtain a "PERMANENT STRUCTURE PERMIT" from the City of Bisbee, Public Works Department before any type of permanent structures, such as curbing, will be allowed to be installed or constructed at the Evergreen Cemetery.

Requests for applications to be mailed can be made by calling the Public Works Department at (520) 432-6002. Applications are also available for pick up at the Public Works office at 118 Arizona St.

There is no fee for the permit or the application.

The Public Works Director will review applications and notify applicants when approved or disapproved. Once an application is approved, a permit will be issued, along with any instructions, granting permission to begin the project. Most projects will need to be inspected, at some point, by someone from the City of Bisbee, Public Works Department before the project is completed. For example, it may be necessary to have forms or footings pass an inspection before the concrete is to be poured.

If you have any questions, you can call the Public Works Department at the phone number above.
